

## 2023 – Year in Review

The following table shows the number of permits that were issued in each area of the building department for 2023.

	<u>2023</u>
Zoning	103
Building	123
Electrical	94
Mechanical	129
Plumbing	53

Let's take a look at the Building Permits that were issued in 2023. I will break it down into two categories. One area will be New Single-family homes. The second will be Permit Fees collected.

### New Single-family homes (New SF)

There was a total of 124 building permits issued for the year. Out of those, 24 of them were for New SF homes.

### Permit Fees

These are the fees that are collected for the permit based on construction values. The total of all building permits that were collected for 2023 is \$137,028. The amount of fees collected from New SF permits was \$41,167.

### Construction Values

The other permits that this department collects fees for are Zoning, Electrical, Mechanical and Plumbing. Following is what was collected for each permit in 2023. These numbers do not include any additional fees that are charged for failed inspections or additional fixtures/items.

- ☐ Zoning - \$46,056 (Does not include escrow fees)
- ☐ Electrical - \$18,243
- ☐ Mechanical - \$21,670.75
- ☐ Plumbing - \$10,270
